Dear Member

## SUPERANNUATION

Information on superannuation arrangements at UWA is available on the University's website under Human Resources – Hr Services Employee Benefits (Superannuation) at: <http://www.hr.uwa.edu.au/hr/empbenefits/superbenefits>

At this point of time any superannuation contributions relating to your appointment will be paid to the UniSuper plan via member account. When you cease working at UWA you can elect to rollover (transfer) superannuation benefits in your UniSuper member account to another fund.

In relation to Choice of Fund the following information was sent to staff, via all staff email, back in June 2005.

## CHOICE OF FUND

Under the Government's Choice of Fund legislation choice of superannuation fund obligations begin on 1 July 2005. Included in the legislation are key exemptions and one of the exemptions being Employers that have employees covered by a certified agreement under which the Employer is required to make superannuation payments in respect of its employees.

As superannuation membership conditions contained in the Academic and General Staff Agreements require the payment of superannuation contributions for current and new employees to be made to the UniSuper plans the University will be exempt from having to comply with the Choice of Fund provisions."

Please note a recent change to superannuation regulations under the 'Portability' legislation a member can transfer all or part of their Accumulation Super account balance to another superannuation fund. Refer to the UniSuper website to obtain the "Portability Withdrawal form" - <http://www.unisuper.com.au/resources/forms.cfm> I understand only one transfer is allowed in a 12 months period. Any request is made direct to the UniSuper Office.

The UniSuper Office contact details are - Member Helpline 1800 331 685 ; Email [enquiry@unisuper.com.au](mailto:enquiry@unisuper.com.au)
