Subject: [All-Staff] Academic Titles - further information

Dear Colleagues,

Following the [All-staff email](#) announcement from the Senior Deputy Vice-Chancellor on 20th November 2014 regarding the University's transition to 'Traditional' academic titles, a webpage and FAQ's have been developed which provide information regarding the reasons for the move back to a single titles system and the factors that were considered by the University before making this decision.

<http://www.hr.uwa.edu.au/policies/policies/titles/teaching-and-research-and-research-only-titles>

To confirm, Traditional academic titles are now being used for all new appointments, promotions and contract renewals, as advised in the email on 20th November.

Titles for current academic employees will be updated to Traditional titles on the HR System in late January, excluding those who have decided to opt out of the transition at this time. The phone directory will also be updated as part of this process.

If you have decided to opt out of the transition at this time, please carefully consider the information provided and the overall benefits to your colleagues and the University's strategic goals in returning to a single, consistent and transparent titles system.

If you have enquiries, please contact academictitles-hr@uwa.edu.au

Sincerely,
Sandra
